### THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Raymond in the (L.S.) County of Rockingham in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at I.O.O.F. Hall in said Raymond on Tuesday, the Twelfth day of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see what action the town will take relative to the playing of Beano in the Town of Raymond.
4. To see what sum of money the town will vote to raise and appropriate for town maintenance including snow, cleaning Main Street and any general Highway expense.
5. To see what sum of money the town will vote to raise and appropriate for tarring.
6. To see if the town will vote to raise and appropriate such sums for State Highways as recommended by the New Hampshire Department of Public Works and Highways.
7. To see what sum of money the town will vote to raise and appropriate for street lighting.
8. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

9. To see what sum of money the town will vote to raise and appropriate for the Fire Department.

10. To see what sum of money the town will vote to raise and appropriate for Dudley-Tucker Library.

11. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

12. To see what sum of money the town will vote to raise and appropriate for maintaining the dump.

13. To see what sum of money the town will vote to raise and appropriate for the Park.

14. To see if the town will vote to authorize the Board of Selectmen to sell at public auction any property acquired by Tax Collector deeds.

15. To see what sum of money the town will vote to raise and appropriate for Civil Defense.

16. To see what sum of money the town will vote to raise and appropriate for Hydrant Rental.

17. To see if the town will vote to adopt the following regulations regarding town warrant articles:

If and when any vote other than by ballot shall be questioned, the presiding officer shall immediately make the vote certain by written ballot only.

18. To see what action the town will take pertaining to the transfer of the money now on deposit in the Factory Building Trust Fund to one or several Capital Reserve Funds as authorized under R.S.A. 35:19. Balance as of December 31, 1962, \$10,248.02.

19. To see if the town will vote to deposit the sum of \$3,931.44 in a Capital Reserve Fund for town dump, equipment, building, and construction purposes or for any other Capital Reserve Fund prescribed by law. This

sum of money was received in payment for fill and gravel taken from the Town Dump land.

20. To see what action the Town will take regarding the disposition of the five hundred dollar legacy bequested to the Town of Raymond by the late Harry M. Heath.

21. To see if the town will vote to raise and appropriate the sum of six thousand dollars to supplement the sum of nine thousand dollars raised under Article 23 at the 1962 Town Meeting for the town's share of reconstruction cost of the Lamprey River Bridge on Langford Road and specify the method of financing same. Note: Reason error in estimating cost by the State of N. H. Public Works and Highway Division.

22. To see what action the town will take concerning the preparations for the coming 1964 Raymond Bicentennial celebration, and to raise and appropriate the necessary sum of money for same.

23. To see what action the town will take concerning the construction of a salt shed for the Highway Dept., and to raise and appropriate the necessary sum for construction of same.

24. To see what action the town will take towards buying a burglar and fire proof safe for the Tax Collector To raise and appropriate money for same.

25. On petition of Palmer Hurd and nineteen voters to see if the town will vote to buy a new tank truck for the Fire Dept. Price not to exceed \$10,000. Money to be taken from the Capital Reserve Fund.

26. To see if the Town will vote to authorize the Selectmen to convey in its name, by quit claim deed to Thomas G. Abell, M. D., and to Ralph L. and Flora T. Horne, portions of the never used right-of-way acquired

by the State of New Hampshire, in the name of the Town of Raymond, from George B. Zimmele in connection with the proposed but never constructed 1928 Raymond T. L. M. Project. The warrantee deed from Zimmele to the Town of Raymond is dated September 27, 1930 and recorded in Rockingham Records Book 862 Page 204. These conveyances to be made only when the said Thomas B. Abell, M.D. and said Ralph L. and Flora T. Horne have conveyed to the State of New Hampshire certain portions of their lands bordering on either the Dudley Road and/or Route 107.

27. On petition of Thelma E. Holt and nine voters the following: We, the undersigned, property owners in the general area of Lake Road on the east side of Governor's Lake and elsewhere in the Town of Raymond, County of Rockingham and State of New Hampshire, hereby respectfully request the Town of Raymond to tar the said Lake Road so that access to Governor's Lake by means of this increasingly used road will be improved for both the undersigned as well as for the general public, and to raise and appropriate, if necessary, a sum of money for the above-mentioned purpose.

28. On petition of Charles C. Quimby and 16 voters the following: We, petition the Town of Raymond to accept and maintain Scotland Road, located off Route 101, and to raise and appropriate the money for same. (This road is located at Scott Pond.)

Ege and eleven voters to see if the town will vote to establish a building committee, consisting of the following members: the Chairman of the Board of Selectmen, the President of the Ambulance Association, the Chief of Police, One member to be appointed by the Chair from the floor. This building committee to supervise and erect an Ambulance and Police Station for the Town of Raymond, on any land the voters may select. The Chair also to appoint from the floor, an advisory committee of three voters, one of which shall be a qualified builder or carpenter to act as advisors to and assist the building committee. Any difference of opinion on the part of the Building Committee as regards to the building or any part thereof shall be settled by a vote of the Building Committee, by a majority vote and shall be binding and recorded in the Committee's records.

34. On petition of Robert E. Eccleston and eleven voters to see what sum of money the town will vote to raise and appropriate for the erection and building of an Ambulance and Police Station for the Town of Raymond.

35. On petition of Josiah R. Gordon and eleven voters to see if the town will vote to authorize the issue and

sale of bonds or notes of the town therefor, under and pursuant to the Municipal Finance Act, for the purchase of any fire truck, if voted in the affirmative as inserted under any article embraced therein of this town warrant.

36. On petition of Robert E. Eccleston and eleven voters to see if the town will vote to adopt the provisions of the Municipal Budget Law under the revised laws of the State of New Hampshire. Upon its adoption the committee shall consist of nine members at large and one member of the school district and one member of the Board of Selectmen to be designated by the said Boards. Tenure of office shall be in accordance with Paragraph 2. The majority of the members at large shall be appointed by the Moderator within thirty days after Town Meeting. Article to be voted on by written ballot.

37. On petition of Gilbert J. Boulton and ten voters to see if the town will accept and maintain the street known as Elsun Avenue which connects with Sun Hill Road, a distance of three hundred and fifty feet on which town water has already been installed.

## HIGHWAY DEPARTMENT REPORT

---

This being my first report, I would like to take this opportunity to thank the Citizens, Taxpayers and Voters for the support and confidence they had in my election.

In order to receive our Town Road Aid Fund the State Department of Public Works and the Highway Engineer recommended more work on some of our roads. In several instances the required work was not figured in our maintenance budget, therefore we show an overdraft on maintenance. The extra work has been done and approved by the State Secondary Roads Engineer. Upon receipt of our funds, the Selectmen decided that it be spent on the Lane Road and the Onway Lake Hill Road.

The motor in the grader had a complete overhaul last Spring and is in very good shape. The grader itself should have a few repairs made this summer.

Two roads that we planned to resurface this year were not done. To have insured a satisfactory job maintenance money would have had to be used on them first. Our budget not allowing for this, reason stated above, they were held over for another year.

Brush cutting is getting under better control each year. There are several areas where over-hanging trees and brush need to be removed. This will be done in the near future.

Another truck has been added for snow plowing. This was a must due to the road through the Center, Main Street and Epping Street being turned over to the Town by the State, increasing our mileage on plowing considerably.

More salting and sanding has been necessary due to

very cold weather and ice. A considerable saving can be realized by using bulk salt instead of in bags. Bulk salt is easier to handle, faster to distribute and works much better at a lower temperature. We do not have a satisfactory place for bulk storage. The Highway Garage is being used at present but definitely should not continue. If the continued use of bulk salt is approved by the town something should be done about storage and loading facilities, as was stated in the 1961 report.

I wish to thank the men who have worked with this department.

Again I thank the Citizens, Taxpayers, and Voters for the cooperation given me this past year.

Respectfully submitted,

LYMAN HAMMOND, JR.,  
Road Agent

## RAYMOND FIRE DEPARTMENT

---

To the Selectmen of Raymond:

The following is a brief resume of your Fire Dept. activities for the year 1962.

We had a total of fifty-eight alarms, plus two hundred and fifteen calls on the Red Net Work for the Ambulance.

Forty of our calls were still alarms, and eighteen were bell or outside alarms. We answered eleven Mutual Aid calls, and received Mutual Aid once.

We had splendid co-operation from our Citizens this past year, and had only three really serious fires.

We are in need of a new tank truck. Our present tanker is so old we can not buy parts at the garages any longer and it is getting very hard to find second hand parts at the junk yards to fit the truck.

To our Citizens please let me stress the point again to call the Fire Dept. at once when a fire is discovered. To get the call right off is really paying off in property saved.

Respectfully submitted,

P. A. FOX, Chief

## RAYMOND POLICE DEPARTMENT

---

This is the second report to the citizens of the Town of Raymond that I have had the privilege to prepare.

The year 1962 showed an increase in almost every phase of this department's work. Your Police Department was active over 34.9% of the total number of hours per year.

Police Department activity showed an increase of 20% over 1961, and over 100% over 1960.

Most of this activity is due to increased patrol and coverage of special activities that take place in the town during the year. More time was spent at the dances sponsored by the school groups and individuals of the town who have a genuine interest in our children and teen-agers. Functions offered by these groups and individuals make this department work easier and we are very happy to cover these events.

Patrol activity at night primarily to guard against Breaking and Entering also shows a slight increase over 1961. On record with this department are a total of 8 breaks, 2 of which are considered major. One at Davis Motors and one at Raymond School, and 2 that should be considered as vandalism. In both cases the goods were recovered and the persons responsible were apprehended. This was done due to personal observations made during the routine patrols. The individuals responsible for 2 other Breaking and Entering acts were apprehended by another department during similar acts the same night. In view of these facts I feel that your Police Department has done a good job.

Motor Vehicle accidents and infractions have shown an increase over 1961. We are unfortunate that the records show 3 fatalities for the year 1962. Increased coverage should show a decline in 1963. Motor vehicle activity in the immediate town has proven to be the best

phase of all activity with excellent cooperation from all our citizens.

I wish to thank Officers Roy Murray and Robert Elliott for their unselfish contribution of time and equipment to meet the demands of the past year and to the townspeople for their co-operation.

JOHN A. HARNEY,  
Chief of Police

## RAYMOND TOWN REPORT

HUNT'S ACCOUNTING SERVICE  
5 Morningside Drive  
Hampton, New Hampshire

---

January 31, 1963

Board of Selectmen

Raymond, New Hampshire

Gentlemen:

Submitted herewith is the Audit Report for the fiscal year ended December 31, 1962, as made by Hunt's Accounting Service, as requested by the vote of your Town.

## SCOPE OF AUDIT

All Departments of the Town Government were audited: The Board of Selectmen, Treasurer, Tax Collector, Clerk, Trustees of Trust Funds, Library and Water Department.

## FINANCIAL STATEMENTS

Exhibit A-1 contains a Comparative Balance Sheet for the fiscal years ended December 31, 1961 and December 31, 1962. This Exhibit reflects the Assets and the Liabilities at the close of the fiscal years 1961 and 1962. The financial condition of the Town of Raymond shows a Net Debt of \$57,939.41 at the close of 1962, a decrease of \$5,889.30. Exhibit A-2 gives the details of the decrease.

Exhibit A-3 shows appropriations as raised by the Town vote, receipts and reimbursements of appropriations, expenditures and balances as unexpended or over-expended. The final over-expended balances of appropriations was \$4,134.40.

Exhibit A-4 shows anticipated revenues and amounts actually received by the Town. The final excess of revenues was \$4,726.79 and by subtracting overdrafts of appropriations, this will give a net budget surplus of \$592.39.

## DEPARTMENTS

Exhibits B-1 through G shows various Town Officers' accounts. Exhibit H shows long term indebtedness and Exhibit I shows Town Officers' Surety Bonds.

All monies were accounted for by reconciling with depository banks.

Verification notices were sent on all delinquent taxes for the 1962 levy.

### GENERAL COMMENTS

The general financial condition improved during the year. During these trying times the officials of the Town should be commended for keeping on a good financial basis.

The water accounts receivables increased during the year to \$3,080.87. These accounts should be reduced or the officials should take drastic action to collect them.

Respectfully submitted,

HERBERT E. HUNT,

Auditor

## SCHOOL WARRANT

---

### THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School district in the town of Raymond, New Hampshire qualified to vote in district affairs:*

You are hereby notified to meet at the Raymond School Auditorium in said district on the Ninth day of March 1963, at Seven o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose Two Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance

between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see what sum of money the district will raise and appropriate to move the kitchen to the room known as the health room and to equip the same. (Est. Cost \$6,000)

10. To see what sum of money the district will raise and appropriate for the purpose of converting the present cafeteria, kitchen, and old chemistry lab to three emergency class rooms. (Est. Cost \$500)

11. To see if the District will instruct the School Board to pursue any or all regional studies in the area.

Given under our hands at said district this 21st day of February 1963.

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

October 10, 1962

The School Board  
Raymond School District  
Raymond, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Raymond School District for the fiscal year ended June 30, 1962, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

## SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

## FINANCIAL STATEMENTS

## Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1961 and June 30, 1962, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$6,728.04 during the fiscal year ended June 30, 1962.

## Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt	
Bonds Matured and Paid	\$9,000.00
Net Budget Surplus	1,840.79
Increase in Accounts Receivable	217.05
	<hr/>
	\$11,057.84

**Increase in Net Debt**

Surplus Used to Reduce School Tax	4,329.80
Net Decrease	<u>\$ 6,728.04</u>

**Comparative Statements of Appropriations and Expenditures—  
Estimated and Actual Revenues: (Exhibits C & D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1962, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$1,532.17, plus a net unexpended balance of appropriations of \$308.62, resulted in a net budget surplus of \$1,840.79.

**Summary Statement of Receipts and Expenditures: (Exhibit E-1)**

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1962, made up in accordance with the uniform classification of accounts, is indicated in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1962, is indicated in Exhibit E-2.

**Student Activities Fund: (Exhibit G)**

The Student Activities Fund accounts were examined and a summarized statement of these accounts is presented in Exhibit G.

**Statement of Bonded Indebtedness: (Exhibit H)**

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1962, showing annual debt service requirements, is contained in Exhibit H.

**Statement of School Tax Account: (Exhibit I)**

A statement of the School Tax account with the Town of Raymond is included in Exhibit I. As indicated therein, as of June 30, 1962, the School District had received from the Town the total amount of the 1961-62 School Tax, \$118,737.12, plus an advance of \$2,545.82 on the 1962-63 School Tax. The amount of the advance is set up as a liability account in the Balance Sheet of June 30, 1962. (Exhibit A)

## RAYMOND SCHOOL REPORT

**Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Raymond School District for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Hugh J. Cassidy, Auditor

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

The Interim Commission Report, the study of regional schools, and the legislative session all combine to complicate Raymond's problems and to make clear-cut decisions almost impossible. My recommendations to the school board have been those of expediency, of meeting our problems on a one year basis. The chief trouble with this is that temporary measures often become permanent. We hope this will not be the case.

In 1951-52 Raymond had 228 pupils in its elementary school and in 1961-62 the figure was 345. The figures for the high school for the same years are 99 and 145. This is not an alarming but a continuous growth, making a total about 50% greater. Since we are over capacity now any increase makes itself felt strongly. As the larger elementary grades enter high school the problem becomes more acute.

With a good or poor housing the classroom teacher remains the key to good education. We have improved our competitive position when hiring teachers and hope to improve in this respect. With a state law in Massachusetts setting a minimum of \$4,500. we are forced into doing better.

A brief review of the Interim Commission report may be in order since, at this time, no general distribution of it has been made. The report establishes a new supervisory union consisting of Raymond, Candia, Deerfield, Northwood, Nottingham, Epping, Fremont, Brentwood, Danville, and Sandown. It is doubtful in my mind if all of these in one union is either practical or psychologically probable. However, the central idea of a new union

with a regional high school in Raymond (or in this area) is reasonable and, if realized, would require no new elementary building in Raymond in the immediate future; without it some building to add space to both the elementary and high schools will be a necessity. The report also would create a State School Building Authority to loan the construction money for an area school. There are provisions for extra financial aid for those schools receiving tuition pupils. Of course, the legislature has the final answer to this report. It will be several months before decisions are made.

I urge you to become acquainted with all of the Interim Commission's report and particularly with those factors vitally affecting this area.

Respectively submitted,

C. MAURICE GRAY

Superintendent of Schools

## PRINCIPAL'S REPORT

---

To the Superintendent and the School Board:

As we write this report, we are eminently aware that these are trying times for education in the State of New Hampshire. As the powers that be intensify debate, on what should or should not be done, the school population continues to mount. Go ahead we must, but each signpost urges caution: (1) We have a new governor; (2) a new legislature; (3) the Interim Commission has published a preliminary report; and, (4) the State Board of Education initiates a new set of minimum standards come September. Consequently, the watchword is wait and see, as the classroom walls bulge from sheer force of numbers.

While playing the waiting game at the high school level, may be the most feasible thing to do, we feel that it is of vital importance to split the first six grades at the elementary level. To do this we must make use of of all available space in the old building. This will involve some temporary expedencies.

Moving the cafeteria from its present location to the room at the end of the gym would give use two additional small classrooms. A third small classroom is available in the front of the old shop building. This would involve the employment of three additional teachers.

At the high school level we have maintained an "Approved Comprehensive High School" rating since the inception of the minimum standards. On December 10, 1962, Roland L. Schoepf, Division of Instruction Consultant, visited Raymond High School. The purpose of the visit was to clarify what action, if any, is necessary to qualify Raymond High School as an "Approved Com-

prehensive High School" under the new minimum standards which go into effect in September, 1963.

Action Necessary:

1. The minimum program of studies of a comprehensive high school must provide for at least ten units of non-college prep. subjects, including two courses in mathematics. One more course in mathematics must be added, preferably a General Mathematics II Course, which might include elements of algebra and geometry.

2. Each comprehensive high school must provide at least three offerings for credit in the fine arts area. Of the three, there must be available each year at least one offering for credit in the field of music and at least one offering for credit in the visual arts. A course in art will be needed, taught by a certified teacher in an appropriate facility.

3. No teacher shall be assigned a teaching schedule which requires more than five different class preparations for any given school day.

4. An organized program of guidance is necessary in a comprehensive high school. This will require that a teacher-counselor, one with twelve semester hours in graduate-level guidance courses, be assigned to guidance work at least three periods daily.

5. Each high school must provide an adequate library service. A teacher-librarian must be available for at least two periods daily; current certification regulations require that this person must have six hours of library science.

6. The general shop program begins at the seventh-grade level, providing six years of industrial arts experience, in four different areas. The program must be expanded to include at least six areas, with appropriate equipment.

7. The business education program should provide a variety of experiences in the use of office machines and equipment. Toward this end, additional equipment such as a calculator and use of a dictating machine should be provided.

8. All high schools must meet minimum standards relative to facilities and equipment. At the present time there is need for equipment in the science laboratory in order to provide for adequate demonstration and experimentation.

9. Although there is a full-time principal, his supervisory and administrative responsibilities are such that more secretarial and clerical assistance is indicated. Because of the need to handle all official school records and correspondence accurately and in confidence, it is important that this work be done by competent adult secretarial help.

In summary to maintain our "Approved Comprehensive" status we must; (1) add a course in General Mathematics; (2) add an Art Course; (3) provide three periods of guidance daily; (4) provide a qualified librarian two periods daily; (5) consider an additional two areas of study in shop; (6) add equipment in Business Education; (7) add Science equipment; (8) provide adult secretarial help; (9) run a two-track system in English, Science, Math. and Social Studies Classes; (10) hold class size to a maximum of thirty-five students.

As we said in the beginning, "These are trying times".

In conclusion, may we say a sincere thanks you to our hard working staff, and to you our fellow townspeople for your continued cooperation and support.

Respectively submitted,

JOHN J. CALLAGHAN

## REPORT OF REGIONAL STUDY GROUP

---

In April 1962 the Deerfield PTA, at the suggestion of a group of interested parents, invited the surrounding districts to a meeting to consider the possibilities of forming a regional school district.

At this meeting temporary committees were appointed representing Auburn, Candia, Deerfield, Epping, Nottingham, and Raymond.

At the first meeting of these committees it was voted to form a steering committee composed of the various School Board Chairmen or their delegates.

After several exploratory meetings of the steering committee with the representatives of the State Board of Education it was decided to divide the study under four major headings: Finance, Building, & Site, Transportation, and Program. Each of these subcommittees was composed of one representative from each town.

Subsequently, a number of meetings have been held by the full group, as well as a few subcommittee meetings. In the beginning these efforts amounted mostly to groping for the best approach to the study. In this preliminary sparring with the problem of organization, we have found the members of the State Dept. who have been at our service very generous with their time, but equally reticent about providing assistance which might in any way be construed as promotion of the regional school plan. This fact has inevitably contributed to the consumption of a lot of unproductive time.

At a point when we began to feel we were getting our feet on the ground, the withdrawal of two important member districts necessitated a reappraisal of the whole

prospect. Although we have compiled some concrete figures on the basis of the four remaining districts, it is the final consensus of opinion within the steering committee that a new approach is indicated in the interest of all concerned.

In this connection it should be understood that the members who have served on this study have been strictly volunteers who have contributed their time in the hope of finding practical solutions to the various and mutual problems facing us in providing adequate educational facilities.

As a result of our preliminary exploration of this problem, we are of the unanimous opinion that a further study in detail of the regional plan is warranted.

We therefore recommend that the school districts instruct the School Boards to investigate any regional studies in their respective areas.
